

One-Click® Cleaners

Description

One-Click Cleaner Easy-to-use solution for cleaning fiber optic connectors on jumpers and in adapters. Since over 85% of network outages are attributed to dirty and/or damaged connectors, it is critical to clean every connector! The patented One-Click Cleaner uses the mechanical push action to advance an optical grade cleaning tape while the cleaning tip is rotated to ensure the fiber end-face is effectively, but gently, cleaned. It is a favorite of field technicians for its ease of use, durability, effectiveness, and small size. One-Click® Cleaner PRO The One-Click Cleaner PRO is a high-performance cleaner built for speed and efficiency. It features an integrated guide cap design that reduces cleaning time up to 50% by eliminating constant switching of caps for cleaning the ferrule end-face on connectors, in or out of bulkhead adapters. The One-Click Cleaner Pro boasts over 775 cleaning cycles in an ergonomic push-type cleaner, which is a significant increase from the previous model's 500 clean limitation. Designed to meet the needs of data centers, factories, and FTTH environments, One-Click Cleaner PRO optimizes optical connectivity, reduces downtime, and improves efficiency, making it an essential tool for fiber connector cleaning. One-Click Cleaner D-LC (Duplex LC) The One-Click Cleaner D-LC cuts cleaning time in half by effectively cleaning both connectors of a duplex LC connector simultaneously. Available in a long-lasting 500+ clean pen shape. One-Click Cleaner MPO The One-Click Cleaner MPO is a revolutionary push-type cleaner that simplifies cleaning of the ferrule end-face of MPO/MTP® connector.

Features and Benefits

- Patented single-action cleaning in a small ergonomic design
- Cleans connectors in both jumpers and bulkhead adapters
- Variety of sizes and types for different connector styles
- Low cost per clean

Applications

- Removing oil, dust, and dirt without damaging delicate fiber end-faces
- Clean connectors in tight spaces
- Both dry and wet cleaning (add cleaning fluid)
- Field or laboratory use

Ordering Information

PART NUMBER	DESCRIPTION
8500-05-0001MZ	One-Click® Cleaner SC/ST/FC (500 cleans)
8500-05-0002MZ	One-Click® Cleaner MU/LC (500 cleans)
8500-05-0008MZ	One-Click® Cleaner D-LC, Duplex LC (2 x 500+ cleans)
8500-05-0030MZ	One-Click® Cleaner MPO (500 cleans)
8500-05-PRO-SC	One-Click Cleaner SC Pro (775+ cleans)
8500-05-PRO-LC	One-Click Cleaner LC Pro (775+ cleans)
